REQUEST FOR PROPOSALS

Food Service for Capital Area Recovery Program

State Fiscal Year 2022 – 2023

PART 1: ADMINISTRATIVE AND GENERAL INFORMATION

1.1 Purpose

The purpose of this Request for Proposal (RFP) is for Capital Area Human Services District (CAHSD) to obtain competitive proposals from qualified Proposers who are interested in providing food service for Capital Area Recovery Program (CARP), which is a 40-bed unit that provides social detoxification along with short-term residential addiction treatment services for men and is located at 2455 Wooddale Boulevard, Baton Rouge, Louisiana 70805. Non-profit and for-profit agencies may submit proposals in response to this RFP. The services contracted as a result of this RFP will be managed by CAHSD and provided to CARP clients. The contract funds shall be used solely for the provision of these services. The contract shall commence on or near the date approximated in the Schedule of Events. The term of this contract is for a period of up to twelve (12) months, contingent upon contractor performance, and availability of funding. At the option of CAHSD and with the concurrence of the contractor, this contract may be extended for two additional twelve (12)-month periods at the same price, terms, and conditions. Total contract time may not exceed thirty-six (36) months.

1.2 Background

CAHSD was established by legislation in 1996 and enacted in 1997, as a political subdivision of the State of Louisiana, to direct the operation and management of publicly-funded community-based programs and services for mental health, addictive disorders, developmental disabilities, and co-occurring disorders in the Louisiana Parishes of Ascension, East & West Baton Rouge, East & West Feliciana, Iberville, and Pointe Coupee. The mission of CAHSD is to facilitate person-centered recovery by empowering people of all ages with behavioral health needs and developmental disability challenges to strengthen relationships, establish independence, and enhance their ability to improve their physical health and emotional wellbeing.

1.3 Goal and Objective

CAHSD is conducting a fair and impartial competitive procurement process to solicit proposals in order to meet the following goal: Provide food services (i.e., at least three meals daily plus an evening snack) for a 40-bed unit (i.e., CARP) 365 days/year pursuant to a written agreement with an outside food management company.

1.4 Term of Contract

The term of any contract resulting from this RFP shall begin on or about July 1, 2022 and is anticipated to end on June 30, 2023, contingent upon contractor performance, and availability of funding. At the option of CAHSD and with the concurrence of the contractor, this contract may be extended for two additional twelve (12)-month periods at the same price, terms, and conditions of the initial contract. Total contract time may not exceed thirty-six (36) months. The continuation of the contract is contingent upon the availability of funds to fulfill the requirements of the contract.

The evaluation team may consult subject matter expert(s) to serve in an advisory capacity regarding any Proposer or proposal. Such input may include, but not be limited to, analysis of Proposer financial statements, review of technical requirements, or preparation of cost score data.

1.27 Best and Final Offers (BAFO)

The Agency reserves the right to conduct a BAFO with one or more Proposers identified by the evaluation committee to be reasonably susceptible of being selected for an award. If conducted, the Proposers selected will receive written notification of their selection, a list of specific items to address in the BAFO, and instructions for submittal. The BAFO negotiation may be used to assist the Agency in clarifying the scope of work or to obtain the most cost effective pricing available. The written invitation to participate in BAFO will not obligate the Agency to a commitment to enter into a contract.

1.28 Contract Award and Execution

The Agency reserves the right to enter into a contract based on the initial offers received without further discussion of the proposals submitted. The Agency reserves the right to contract for all or a partial list of services offered in the proposals. The RFP content, including any addenda added, and the selected proposal shall become part of the contract initiated by the Agency. The selected Proposer shall be expected to enter into a contract that is issued by the Agency. A Proposer shall not submit its own standard contract terms and conditions as a response to this RFP. The Proposer should submit in its proposal any exceptions or contract deviations that its firm wishes to negotiate. Negotiations may coincide with the announcement of the selected Proposer. 1.35 Assignment

No Contractor shall assign any interest in the contract by assignment, transfer, or novation, without prior written consent of the Agency. In the event of any inconsistent or incompatible provisions, this signed agreement (excluding the RFP and the Contractor's proposal) shall take precedence, followed by the provisions of the RFP, and then by the terms of the Contractor's proposal.

1.40 Contract Modifications
